If You Have Dental Insurance

As a service to you, and for your convenience, we will file your insurance claim forms with the information you provide us at the time of your initial appointment. What we tell you over the phone is an estimate only, not a guarantee of coverage. You are responsible for the amount quoted over the phone IN FULL at the time of your appointment. We cannot control what your insurance company will or will not pay. We have found that some insurance companies do not cover all dental services. Upon receipt of payment from your insurance company, we will bill you for the outstanding balance or refund any overpayment directly to you. Thank you!

If You Do Not Have Dental Insurance

We offer two options if you do not have dental insurance. The first being a **10% discount** if paid in full at the time of the appointment. The other option is a down payment the day of surgery plus a \$10 fee and the remainder set up on monthly payments for 3 months with NO interest. Please speak to the receptionist for further information regarding these options. Thank you!
